Sandman - Morgan Hannah MacDonald - 2014
BEWARE THE SANDMAN-HE'LL PUT YOU TO SLEEP. . . FOREVERA serial killer on the loose, a woman with a psychotic stalker and a homicide detective who must find the connection before it's too late. He collects women. Imprisons them. Plays with them. Tortures them. He gathers souvenirs. His trophies are many. LOCK YOUR DOORS AND PULL THE SHADES Meagan McInnis is being psychologically tormented. Her dog has become restless. He barks incessantly, but when peering out into the darkened abyss, there's no one in sight. The image of a pair of eyes staring back from the pitch haunts her. The phone startles her awake, only dead air answers her plea. Until the night she stumbles upon a grisly display in her garden. THE CALLER IS SILENT NO MORE Seasoned, Homicide Detective, J.J. Thomas, is working his most horrific case to date, and he's seen some pretty gruesome things in his time. The monster he's hunting ranks up there with Ed Gein. He wouldn't be surprised to find lampshades made out of human skin in the psycho's living room. THEY CALL HIM THE SANDMAN With no one else available, Thomas is called out to a crime scene in the wee hours of the morning. He's told to pass the case off as soon as possible, so he can focus on his own investigation. But that's before he realizes the ghastly exhibit and his case are linked. Better yet, that Meagan

McInnis, is the key to discovering the Sandman's true identity. SWEET DREAMS With his department grossly understaffed, only he and his partner, Shadowhawk, can see to Meagan's safety. At the same time delve deep into her past to uncover just how she became the obsession of this sadistic killer before she becomes his next prize. NOTE: ALL THE BOOKS IN THIS SERIES ARE STAND ALONE. NO NEED TO READ THEM IN ORDER. Thank you.

New Insights into the Theory of Giffen Goods - Wim Heijman - 2011-10-12

One might expect that after their identification in the 19th century, all aspects of Giffen goods would have been studied by now. This appears not to be the case. This book contains the latest insights into the theory of Giffen goods. In the past, surprisingly few goods could be categorized as "Giffen." This may be because of a lack of understanding of the character of these goods. Therefore, the theories explained in this book may also produce a solid basis for further empirical research in the field. Experts throughout the world have contributed to this book, which predominantly pursues a mathematically rigorous approach. It may be used by researchers in the field of fundamental economics and in graduate-level courses in advanced microeconomics.

Linux Recipes for Oracle DBAs - Darl Kuhn - 2008-11-21

Linux Recipes for Oracle DBAs is an example-based book on managing Oracle Database in a Linux environment. Covering commonly used distributions such as Red Hat Enterprise Linux and Oracle Enterprise Linux, the book is written for database administrators who need to get work done and lack the luxury of curling up fireside with a stack of Linux documentation. The book is task-oriented: Look up the task to perform. See the solution. Read up on the details. Get the job done. Takes you directly from problem to solution Covers the "right" mix of Linux user and administration tasks for database administrators Respects your time by being succinct and to-the-point What you'll learn Execute Linux commands applicable to Oracle Database administration. Write shell scripts to automate critical DBA tasks. Monitor, tune, and optimize a Linux server to run Oracle Database. Perform Linux system administration tasks relevant to Oracle Database. Implement Oracle real application clusters on Linux. Implement Oracle automatic storage management on Linux. Remotely (and securely!) manage Oracle on Linux. Who this book is for Linux Recipes for Oracle DBAs is a book for Oracle database administrators who want to expertly operate Oracle databases on the Linux operating system. If you're new to Linux, or are

migrating from a Unix platform, or just want detailed solutions for tasks that Oracle DBAs perform on Linux servers, this book is for you.

Continuing the Reformation - Ruth A. Meyers - 2000-01-01

This book documents the Episcopal Church's developing focus on baptism within the context of the liturgical movement, the emerging understanding of the eucharist, prayer book revision, and the confirmation dilemma. Drawing on historical and contemporary sources, the author presents a credible case in support of her belief that a baptismal ecclesiology is emerging from these events that have enabled people to accept a radically different initiatory pattern in the church. This book exhibits clarity on the issues discussed with the support of solid scholarship and lucid writing. Contents: The Traditional Anglican Pattern The Emergence of a Eucharistic Ecclesiology The Renewal of Baptism

The Dilemma of Confirmation Admission to Communion Turning Points Toward a New Pattern of Christian Initiation: Communion of all the Baptized Redefining Confirmation The 1979 Baptismal Rite Enriching the Prayer Book Baptism and Reaffirmation of Faith Includes appendices, bibliography, and index.

The Gold Falcon - Katharine Kerr - 2007-05-01

Orphaned by a cholera epidemic, Neb and his young brother are sent to the desolate farm of their last living relative. But when the savage Horsekin tribes begin raiding the villages along Deverry's western border, the brothers must flee for their lives. A chance encounter with Salamander-a bard and master of dweomer magic-proves their salvation, as he brings them to the shelter of Tieryn Cadryc's dun. Here Neb finds love with his soulmate Branna only to be dragged into a war for the very survival of the kingdom. And though both Neb and Branna are gifted with dweomer magic, they are also facing powerful enemies they have fought before in past lives they no longer remember.

Non-Western Educational Traditions -

Timothy G. Reagan - 2004-09-22

This text provides a brief yet comprehensive overview of a number of non-Western approaches to educational thought and practice. Its premise is that understanding the ways that other people educate their children--as well as what counts for them as "education"--may help us think more clearly about some of our own assumptions and values, and to become more open to alternative viewpoints about important educational matters. The value of this informative, mind-opening text for preservice and in-service teacher education courses is enhanced by "Questions for Discussion and Reflection" and "Recommended Further Readings" included in each chapter. New in the Third Edition: *Chapter 2, "Conceptualizing Culture:" 'I, We, and The Other,' is new to this edition. It is a response to feedback about the problems inherent in our general discourse about "culture," and in addition provides an example of a culture that is near to us but nevertheless alien-the culture of the Deaf-World. *Chapter 9- which deals with Islam and traditional Muslim education-has been substantially revised. *The subtitle of the Third Edition has been changed to Indigenous Approaches to Educational Thought and Practice, reflecting not so much a change in the emphases found in the book, but rather, a recognition of the growing scholarly interest in indigenous peoples, their languages, cultures, and histories. *Various points throughout the text have been expanded and clarified, and chapters have been updated as needed.

Elijah: The Nightwalkers - Jacquelyn Frank - 2008-01-01

New York Times Bestseller Dear Reader, Please note that the text of this story, ELIJAH by Jacquelyn Frank, begins on page 7. The first six pages are the teaser copy, the Also By The Author page, the title page, the copyright page and the dedication. Also on the inside front cover, it lists NOAH as available now. That title will be published in September, 2008. Sorry for any confusion. They are called the Demons, one of the elusive Nightwalker races living in shadow and struggling for survival against their human enemies. Their proudest warrior is Elijah, a man who bends for nothing and no one. . . until one woman brings him to his knees. . . Some Feelings You Just Can't Fight He is known as the Warrior Captain--a master of every weapon, a fierce soldier sworn to protect his kind. Powerful, relentless, merciless, Elijah has always won every battle he's ever taken on--until now. Ambushed by necromancers, he is left for dead only to be discovered by the woman who could very well deliver the final blow. . . Siena, the Lycanthrope Queen. With three centuries of warring, little more than a decade of uneasy peace has existed between the Lycanthropes and Elijah's people. Now, after a lifetime of suspicion, the warrior in Elijah is consumed with a different battle--winning Siena's heart by giving her pleasure beyond all boundaries. What starts as attraction and arousal soon burns into a passion with consequences that will echo through the ages for both their people. And as would-be enemies become inseparable lovers, another threat approaches, one with the power to destroy them all. . . Surrender to the night.

Peasants under Siege - Gail Kligman - 2011-07-25

In 1949, Romania's fledgling communist regime unleashed a radical and brutal campaign to collectivize agriculture in this largely agrarian country, following the Soviet model. *Peasants under Siege* provides the first comprehensive look at the far-reaching social engineering process that ensued. Gail Kligman and Katherine Verdery examine how collectivization assaulted the very foundations of rural life, transforming village communities that were organized around kinship and status hierarchies into segments of large bureaucratic organizations, forged by the language of "class warfare" yet saturated with vindictive personal struggles. Collectivization not only overturned property relations, the authors argue, but was crucial in creating the Party-state that emerged, its mechanisms of rule, and the "new persons" that were its subjects. The book explores how ill-prepared cadres, themselves unconvinced of collectivization's promises, implemented technologies and pedagogies imported from the Soviet Union through actions that contributed to the excessive use of force, which Party leaders were often unable to control. In addition, the authors show how local

responses to the Party's initiatives compelled the regime to modify its plans and negotiate outcomes. Drawing on archival documents, oral histories, and ethnographic data, *Peasants under Siege* sheds new light on collectivization in the Soviet era and on the complex tensions underlying and constraining political authority.

The Mountain of Light - Indu Sundaresan - 2013-10-08

From the internationally bestselling author of *The Twentieth Wife*, a novel based on the tumultuous history of a legendary 186-carat diamond—originating in India—and the men and women who possessed it. As empires rose and fell and mighty kings jostled for power, its glittering radiance never dimmed. It is the "Mountain of Light"—the Kohinoor diamond—and its facets reflect a sweeping story of love, adventure, conquest, and betrayal. Its origins are the stuff of myth, but for centuries

this spectacular gem changes hands from one ruler to another in India, Persia, and Afghanistan. In 1850, the ancient stone is sent halfway around the world where it will play a pivotal role in the intertwined destinies of a boy-king of India and a young queen of England—a queen who claims the Mountain of Light and India itself for her own burgeoning empire, the most brilliant jewels in her imperial crown. The Mountain of Light is a magnificent story of loss and recovery, sweeping change and enduring truth, wrapped around the glowing heart of one of the world's most famous diamonds.

Lean Safety Gemba Walks - Robert B. Hafey - 2014-11-24

A Lean Safety Gemba Walk is a walk through the work area (Gemba) that focuses on the continuous improvement of safety. When conducted in a respectful manner, by skilled facilitators, Safety Gemba Walks can have a dramatic long-lasting impact on the culture of a business. *Lean Safety Gemba Walks: A Methodology for Workforce Engagement and Culture Change* is a follow-up to the author's bestselling book, *Lean Safety*, published in 2010. It is a natural progression from the philosophical overview provided by Lean Safety to the reality of the application of those principles in facilities

around the world. This book presents a collection of Lean Safety Gemba Walk case studies that are based on the author's experiences over the last four years. As the stories unfold, readers are transported on a journey of discovery through the Gemba and begin to see safety differently just as those who physically participated. Illustrating the importance of employee engagement and culture change, the book provides you with the tools to engage managers, employees, and hourly staff in the continuous improvement of safety. The concepts covered will allow you to empower employees to make a difference in their safety culture rather than simply complying with safety rules.

The Girl Who Stopped Swimming - Joshilyn Jackson - 2008-03-04

Laurel Gray Hawthorne needs to make things pretty, whether she's helping her mother make sure the literal family skeleton stays in the closet or turning scraps of fabric into nationally acclaimed art quilts. Her estranged sister Thalia, an impoverished Actress with a capital A, is her polar opposite, priding herself on exposing the lurid truth lurking behind middle class niceties. While Laurel's life seems neatly on track--a passionate marriage, a treasured daughter, and a lovely home in suburban Victorianna--everything she holds dear is suddenly thrown into question the night she is visited by the ghost of a her 13-year old neighbor Molly Dufresne. The ghost leads Laurel to the real Molly floating lifelessly in the Hawthorne's backyard pool. Molly's death is inexplicable--an unseemly mystery Laurel knows no one in her whitewashed neighborhood is up to solving. Only her wayward, unpredictable sister is right for the task, but calling in a favor from Thalia is like walking straight into a frying pan protected only by Crisco. Enlisting Thalia's help, Laurel sets out on a life-altering journey that triggers startling revelations about her family's guarded past, the true state of her marriage, and the girl who stopped swimming. Richer and more rewarding than any story Joshilyn Jackson has yet written, yet still packed with Jackson's trademarked outrageous characters, sparkling dialogue, and defiantly twisting plotting, THE GIRL WHO STOPPED SWIMMING is destined both to delight Jackson's loyal fans and capture a whole new audience.

Every City Shall Be Forsaken' - Lester L. Grabbe - 2001-10-01

Urbanism in ancient society has now become an important topic for both classical and ancient Near Eastern scholars. Equally, the question of prophecy as social institution and literary corpus has been increasingly problematized. The essays in this volume bring together these crucial aspects of modern biblical research, the scope ranging from methodological issues about sociology and urbanism to Assyrian prophecies and specific biblical texts. An introductory chapter surveys recent anthropological study on urbanism, summarizes the essays, and places the different contributions in context.

Every City Shall Be Forsaken' - Lester L. Grabbe - 2001-10-01

Urbanism in ancient society has now become an important topic for both classical and ancient Near Eastern scholars. Equally, the question of prophecy as social institution and literary corpus has been increasingly problematized. The essays in this volume bring together these crucial aspects of modern biblical research, the scope ranging from methodological issues about sociology and urbanism to Assyrian prophecies and specific biblical texts. An introductory

Neale Donald Walsch on Abundance and Right Livelihood - Neale Donald Walsch - 1999-10-01

Essentially, God tells us in Conversations with God that most of us do not understand what abundance really is. We confuse it with money. Yet when we take stock of that in which we truly are abundant, and choose to share it freely with everyone whose life we touch, we find that what we thought was abundance--money--comes to us freely. Even this chain of events, however, many of us cannot accept. For when we think of money, we imagine that it is an experience and an energy that stands outside of the reality of God. Yet there is nothing in the universe that stands outside of the reality of God, that is not a part of God. Once we understand that money is a part of what God is, our attitude about money changes. We see it as an extension of the glory of God, not the root of all evil. This can produce astonishing results. Just what is abundance? Is it lots of money, lots of stuff that money can buy? That's what many people believe. And many work at

jobs they dislike, just to support that belief. Neale Donald Walsch gives us the simple key to understanding the true nature of abundance, and a practical easy-to-understand philosophy for applying that knowledge to our daily lives. Neale Donald Walsch on Abundance and Right Livelihood is an inspirational, and sometimes humorous, exploration of the real meaning of money and prosperity--and of the secret to finding happiness with "right livelihood"--all of which leads to creating the true abundance we all desire.

Potassium Ion Channels: Molecular Structure, Function, and Diseases - - 1999-05-04

This book is the first to focus on potassium ion channels and covers the recent remarkable progress made in research on these proteins. Many diseases are caused by the abnormalities of

potassium ion channels. They include diabetes mellitus, life-threatening hereditary cardiac arrhythmia, epilepsy, neural degeneration, and renal hypertension. Written by leading scientists in the field, this volume offers readers a comprehensive update of this field in the understanding of the genes, molecular structure, function and diseases of potassium ion channels. Key Features * The first comprehensive volume on potassium ion channels in all aspects of genes, molecular structure, function, and diseases * Completely up-to-date information * Written by leading scientists in the field

Prolegomena to a Grammar of the Hebrew Language - Samuel David Luzzatto - 2005

"First published in 1836, Prolegomeni ad una grammatica ragionata della lingua ebraica, is perhaps the most important grammatical work of the influential Italian scholar Samuel David Luzzatto (1800-1865). Never reprinted, and never before fully translated, this long inaccessible work has become almost unknown. Intended to serve as an introduction to a comprehensive Hebrew grammar, the book is replete with information and innovative insights that are still valuable to contemporary scholars. Moreover, in addition a complete translation with copious annotations, Aaron Rubin's edition of

Luzzatto's Prolegomeni contains an appendix consisting of biographical sketches of the roughly 275 Hebrew scholars mentioned by Luzzatto. This book will be of great value to anyone interested in the Hebrew language and its fascinating history."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Antitrust Discovery Handbook - - 2003
This new edition of the Antitrust Discovery Handbook reflects the impact of the significant changes made to the Federal Rules of Civil Procedure in 2001 on discovery in antitrust cases. It also greatly expands the discussion of both the scope of discovery and practical approaches to gaining discovery in an antitrust case, as well as the challenges in obtaining and defending electronic discovery. The Handbook incorporates parts of the first edition in the sample discovery section contained in Chapter VIII. These sample discovery requests cover such

areas as general definitions and instructions; general discovery; horizontal, per se violations (15 U.S.C. [UNK] 1); vertical distribution discovery; monopolization and exclusionary practices; the Robinson-Patman Act (price discrimination); Section 7 of the Clayton Act (acquisition and mergers); the statute of limitations and doctrine of fraudulent concealment; subject matter jurisdiction under the federal antitrust laws (interstate commerce requirement); request for admissions; and sample discovery to obtain electronic evidence. Papers from a CLE program entitled Discovery in Antitrust Litigation - sponsored by the American Bar Associati

Tales of Wonder from Many Lands - Canaan Howard - 2007

Tales of Wonder from Many Lands - Canaan Howard - 2007

True - Laurann Dohner - 2014-03

Jeanie loves a New Species and is willing to pay for that love with pain, tears and heartbreak. She'll do anything to keep 710 alive but she never wants him to know how she suffered for him. He's the reason for her mission in life-

freeing others like him. True has a new life working with the NSO to rescue his people. A good life, until he encounters a dying woman-the female who betrayed him. True should feel gratified that she's finally going to pay for her crimes, but she claims to be a victim too. He is still irresistibly drawn to the pretty little human who touched his heart and made him want her. When he clasps her hand to offer comfort, his instincts kick in and True will fight everyone to protect her.

Texas Rough - Sara York - 2012-07-28

Lane Daniels loves his job, working as a foreman on the south Texas ranch gives him the type of satisfaction he's always craved, but the owner of Crazy Hills ranch, Gresh Hamilton Miller the third, has woven his way under Lane's skin, leaving Lane crazy for the man's touch. But doing the boss is out of the question. Gresh wants more from Lane than his ability to handle livestock, he wants it all. Lane won't give him the time of day so he forces the issue, setting up a date that Lane believes to be a business meeting. Alone together, Lane and Gresh ignite in a flash of passion. Just when it feels like there could be something more between them, the new doctor in town, Riley, sets his sights on Lane. Riley chases hard after him, insinuating himself in Lane's life, highlighting Gresh's faults. But Gresh won't give up without a fight. Will Lane and Gresh be able to survive the intrusion, or will Riley be the one walking away with Lane's heart? Texas Rough is the first book in Sara York's Texas Soul series. Texas Hard and Texas Twist are next in line. Get ready to get your cowboy on and go for a rough ride.
